✓ Home page

✓ Profile

A web interface for editing a user profile. The header includes a menu icon, a star icon, and notification/user icons. The main section is titled '← Perfil'. On the left is a profile picture placeholder with a pencil icon for editing. Below it is the text 'Nombre Apellido' with a pencil icon. To the right is a box titled 'Información Personal' containing four text input fields. At the bottom right are 'Cancelar' and 'Guardar cambios' buttons.

✓ Facial recognition

A web interface for facial recognition. The header is identical to the profile page. The main area has a grid background. On the left is a large 'Camera' placeholder. On the right, under 'Detected emotion:', is a box showing a smiley face icon and the word 'Happy'. At the bottom left, under 'Recommended songs:', is a list of five songs. At the bottom right is a 'Button (Generate playlist)'.

Camera

Detected emotion:

Happy

Recommended songs:

- Song 1 - Album - Artist
- Song 2 - Album - Artist
- Song 3 - Album - Artist
- Song 4 - Album - Artist
- Song 5 - Album - Artist
